ABOUT NRV ORTHOTECH PVT LTD

Founded in 2011 and Incorporated in the year 2014, at Ahmedabad (Gujarat, India), NRV OrthoTech Pvt Ltd as An Orthopaedic Implants Manufacturer & Exporter, NRV Ortho is one of the leading names engaged in Manufacturing, exporting and supplying all kinds of Locking Compression Plates, Orthopaedic Bone Screws, Orthopaedic Bone Plates, Orthopaedic Interlocking Nails, Locking Screws And Plates, Orthopaedic Spinal Implants, Orthopaedic Prosthesis and Orthopaedic Interlocking Instruments. These products are manufactured by our skilled professionals using the best grade raw material and sophisticated technology in compliance with the international quality standards as per ISO 9001:2015 AND ISO13485:2016.

Under the guidance of our Directors Mr. Ramesh R. Vadalia and Mrs. Neela R. Vadalia, NRV Ortho has achieved new heights of success. With their sharp insight and business acumen, we have gained a huge list of satisfied clients. Their indisputable knowledge about the clients' needs helped us to work in the direction that ensures unimaginable growth and prosperity of our company. Our Production Facility area is around 700 Square meters.

Excelling in the respective domain, our products are known for precise designs, fine finish and accurate dimensions. As aficionado of quality, we bring for our clients a high quality range that is designed and developed by talented designers and professionals.

Our wide array of products is contrived by skilled and qualified personnel, who manufacture these products in accordance with the requirements of clients, imparting International quality standards. Our team of highly experienced and skilled personnel enables us to offer customized solutions that too at very economical prices. These professionals are well-versed with the continual changes in the market as well as technology.

Our state-of-the-art infrastructure covers across a cosmic area. The complete infrastructural facility of our organization is cordoned-off into a series of sections in order to easily accommodate every department in an organized manner. Our manufacturing unit is well-equipped with industrial machinery and technically advanced tools that are adroitly exploited by our professionals. Some of the departments within our infrastructure facility include Raw material procurement unit, Designing unit, Quality testing unit, Sales and Marketing unit, Administrative unit and Logistics unit.

Catering to the needs of various hospitals & medical research institutes, we offer a diverse assortment of quality assured products. Moreover, the regular training sessions conducted for our team in form of seminars, conferences, exhibitions and more helped us to comprehend clients' requirements and acquire regular suggestions and feedback from them. Our victory and triumph is mirrored in the expansion and growth of the clientele that spreads across the World.
